Item 7.01. Regulation FD Disclosure.

On April 1, 2005, Business First of Columbus, a local Columbus, Ohio business newspaper published an article discussing AirNet Systems, Inc.'s (the "Company") recent transport of a kidney for transplant. The article incorporated certain outdated and inaccurate financial information that was inadvertently provided to Business First by an employee of the Company. The inaccurate chart used in the Business First article is included immediately below.

Net revenues for the fiscal year ended December 31, 2004 were disclosed in the Company's Annual Report for Form 10-K for the fiscal year ended December 31, 2004, and that disclosure is represented by the chart below.
