Atmos Energy Corporation's Analyst Meeting to be Webcast

**Thursday, February 26, 2009
12:15 p.m. Eastern Time**

DALLAS (February 20, 2009)—Atmos Energy Corporation (NYSE: ATO) will webcast its analyst meeting to be held on Thursday February 26, 2009, from 12:15 to 1:30 p.m. ET in New York City. During the meeting, leadership will discuss the Company's financial and operating performance. Interested parties may listen to the webcast live, as well as view the accompanying slide presentation, via the Analyst Meeting webcast link on Atmos Energy's Web site at www.atmosenergy.com.

For those unable to access the live webcast, the presentation will be archived on the Company's Web site until April 1, 2009.

Atmos Energy Corporation, headquartered in Dallas, is the country's largest natural gas-only distributor, serving about 3.2 million natural gas distribution customers in more than 1,600 communities in 12 states from the Blue Ridge Mountains in the East to the Rocky Mountains in the West. Atmos Energy also provides natural gas marketing and procurement services to industrial, commercial and municipal customers primarily in the Midwest and Southeast and manages company-owned natural gas pipeline and storage assets, including one of the largest intrastate natural gas pipeline systems in Texas. Atmos Energy is a Fortune 500 company. For more information, visit www.atmosenergy.com.
