

## Michael H. Dempsey

1956 – 2009

Michael H. Dempsey, a member of Greif's Board of Directors since 1996, passed away on April 29, 2009 in Columbus, Ohio. He was 52. Mike was the continuing spirit of The Greif Way. It started with his father, our former Chairman John C. Dempsey, and Mike naturally carried it on. His quiet leadership and his joy for life were inspiring to all who met him.

Mike was truly a great friend and a tremendous, steady influence. We miss his wisdom, his counsel and his wholehearted support of our company.
