**HUNTINGTON BANCSHARES INCORPORATED ANNOUNCES
\$69 MILLION ADDED TO CONVERTIBLE PREFERRED STOCK OFFERING**

COLUMBUS, Ohio – Huntington Bancshares Incorporated (NASDAQ: HBAN; www.huntington.com) announced that the underwriters of its previously announced 8.50% Series A Non-Cumulative Perpetual Convertible Preferred Stock offering exercised their over-allotment option to purchase an additional 69,000 shares of Huntington's 8.50% Series A Non-Cumulative Perpetual Convertible Preferred Stock at the same price and with the same terms as the original 500,000 shares issued on April 22, 2008. The exercise of the over-allotment option brings the total shares issued to 569,000, with an aggregate liquidation preference of \$569 million.

As previously announced, the Series A Preferred Stock, including these additional shares, will pay, when, as and if declared by the company's board of directors, dividends in cash at a rate of 8.50% per annum, payable quarterly, commencing July 15, 2008.

Each share of the Series A Preferred Stock will be convertible at any time, at the option of the holder, into 83.6680 shares of common stock of Huntington, which represents an approximate initial conversion price of \$11.95 per share of common stock. The conversion rate and conversion price will be subject to adjustments in certain circumstances. On or after April 15, 2013, the Series A Preferred Stock will, at the option of the company, be subject to mandatory conversion into the company's common stock at the prevailing conversion rate, if the closing price of the company's common stock exceeds 130% of the then applicable conversion price for 20 trading days during any 30 consecutive trading day period.

Huntington intends to use the net proceeds for general corporate purposes, including increasing its liquidity and capital.
