## **Pinnacle Data Systems, Inc. Announces Date for 2009 Second Quarter Results and Conference Call**

**COLUMBUS, Ohio – August 4, 2009** – Pinnacle Data Systems, Inc. ("PDSi") (NYSE Amex: PNS) today announced the date for the release of its 2009 second quarter financial results and conference call.

The 2009 second quarter results will be released prior to the opening of the stock market on Thursday, August 6, 2009.

PDSi will host a conference call on Thursday, August 6, 2009, at 11:00 a.m. Eastern Time. Mike Sayre, President and CEO, Nick Tomashot, Chief Financial Officer, Michael Darnell, Vice President, Embedded Products Group, and T.J. Harper, Vice President, Service Group & Operations will discuss the 2009 second quarter financial performance, recent developments and PDSi's business strategy.

The telephone number to participate in the conference call is (877) 485-3107. A slide presentation will be referenced during the call, which may be accessed at the PDSi website ([www.pinnacle.com](http://www.pinnacle.com)) by clicking on "Investor Relations." An audio replay of the call will be available through the Investor Relations section of the Company's website approximately one hour following the conference call.

### **About PDSi**

PDSi is a global provider of specialized embedded computing products. We offer a wide range of technology platforms including standard and custom-designed products for the telecom, defense/aerospace, medical, semiconductor, industrial automation and IT markets. Our product capabilities range from board-level designs to globally-certified, fully integrated systems. Our specialties include long-life, embedded products and unique, customer-centric solutions.

In addition to our product offerings, PDSi provides a variety of engineering and manufacturing services for global OEMs requiring custom product design, system integration, repair programs, warranty management, and specialized production capabilities. With service centers in the U.S., Europe and Asia, we ensure seamless support for solutions all around the world.

PDSi's turnkey technical programs help our customers bring their solutions to market faster and provide comprehensive service for the lifecycle of their products.

For more information, visit the PDSi website at [www.pinnacle.com](http://www.pinnacle.com).
